- theme exercises to test students' skills above the sentence level and

ability to process texts

2. Oral

- Colloquial expressions used in day-to-day life are given.
- Current issues assigned for discussion.
- Monthly practice for group discussion

3. Grammar & Usage

- Grammatical patterns will be given (e.g. Parts of speech, Common Usage of phrasal verbs, connectives, collocations, inversions, active voice, passive voice).
- The materials will be systematically arranged with exercises given.

4. Listening

- Practice will be given once every four lessons.
- Vocabulary on words with similar pronunciation but different meanings.

WRITING CLASS

Teach students plan, organize, write and edit step by step in writing different kinds of essays which are essential in academic achievement.

Writing in Action

Various topics for exam will be set. Students are required to write following the guidelines given by Leslie on each paragraph. This enhances students' learning ability and helps them make marked progress.

*(Grades * errors will be marked and comments will be given by tutors.)*
